ALBURY NSW 2640

Dear

You kindly submitted a nomination for an honorary award within the *Order of Australia* for Mr Rolf Ludwig Kaiser.

Nominations of non-Australian citizens for honorary awards are considered by the Prime Minister and he was pleased to have your nomination, but he felt the claims of your nominee were not as compelling as those of a number of others and that he was unable on this occasion to recommend an award to the Governor-General.

I know that you will be disappointed to learn of this. However, where significant or new information about a nominee becomes available, the Government is happy to reconsider a new nomination following the elapse of two or three years. If you wish to submit new or additional information about your nominee after this time, together with the names of further referees, we would be pleased to hear from you.

Yours sincerely
